Reading Log

Directions: Keep a record of your reading! Each night, write down the number of minutes you spent reading in the white box. Ask an adult to write their initials in the gray box underneath. (They can also help you keep track of how long you were reading.) You can read independently, with an adult's help, or by listening. Every four weeks, we will discuss our reading charts, and add up our grand totals! Until then, please keep this form in the right side of your homework folder at all times.
